FOR IMMEDIATE RELEASE

ReNForce Announces Grand Opening of New Office and Training Facility

Augusta, GA –January 9, 2025, ReNForce, a non-profit organization dedicated to bridging the gap between justice-impacted individuals and the workforce, is proud to announce the grand opening and ribbon-cutting ceremony for its new office and training facility. The event will take place on Friday, January 17th, at 10:00 AM at 630 Ellis Street, Suite 2I, Augusta, GA. Refreshments will be served, and all members of the community are invited to attend.

Strategically located just behind the Georgia Department of Labor, ReNForce’s new facility is uniquely positioned to serve as a hub for workforce development. The training center will offer specialized programs designed to help justice-impacted individuals build skills, gain professional certifications, and access meaningful employment opportunities. This effort not only transforms lives but also addresses critical workforce needs for local businesses.

“This new office and training facility represents a significant step forward in our mission to create pathways to employment for those who face systemic barriers,” said Charlotte Garnes, Executive Director. “We’re excited to collaborate with businesses and community partners to drive positive change and economic growth in the CSRA.”

ReNForce’s innovative approach combines coaching for businesses on inclusive hiring practices with hands-on training for job seekers, fostering a dual impact that benefits both employers and employees. The organization’s work aligns closely with Augusta’s broader goals of workforce development and community empowerment.

Join us, along with the Augusta Metro Chamber of Commerce, in celebrating this milestone and learning more about how ReNForce is making a difference in the lives of justice-impacted individuals and the Augusta community. For more information about the event or ReNForce’s programs, please contact Charlotte Garnes, Executive Director at 833-273-6367, or charlotte@renforce.org.
