## Happy Holidays!

### A MESSAGE FROM OUR EXECUTIVE DIRECTOR

As the year comes to a close, I'm filled with gratitude for how far we've come together. 2025 has been a year of growth, learning, and meaningful impact, all made possible by those who have shared their time, talent, and heart with our mission.

This season reminds us that giving goes beyond resources. It's about offering hope, opportunity, and a sense of belonging. Your generosity has enabled us to provide supportive housing, workforce training, and community connections that enable justice-impacted individuals to rebuild their lives with dignity and confidence.

We have also grown as a team and as a community. From the garden taking root at Redemption House to our expanding partnerships across Georgia, ReNforce continues to plant seeds of change that will carry us strongly into the new year.

As we look ahead to 2026, our focus remains steady: moving forward with purpose, compassion, and collaboration. Every second chance we create reflects what becomes possible when people come together in belief and action.

Thank you for being part of the ReNforce family. As you reflect on this season of giving, I invite you to help us continue this work. Your year-end gift will ensure more women receive safety, healing, and opportunity in 2026.
